## ENCORE! After-School Program

This program is open to all current Montessori Academy of Glen Ellyn students in grades K-6, as well as to the public. MAGE students will be able to attend the program for a reduced rate of \$16 per class, which is the same cost as hourly afterschool care, and includes all materials and supplies. The program is open to the public at the rate of \$25 per class. Children who already attend after-school care are welcome to attend at no additional cost, but **please be sure to sign your child up** so we have an accurate list of participants. Your child does not have to attend all three classes, however we need to know ahead of time which dates your child will be attending, in order to reserve a spot and make sure enough materials are available for that days activities.

### Session One - Color me Creative

Students will study the basics of color, the affects of color visually and emotionally and the art of mixing color and creating their own edible color wheel (of sorts). Please advise if your child has allergies.

### Session Two - In your eye! I can paint that!

We will travel through the ages looking at the art that defines the different periods. The students will learn about different forms of art media from Leonardo da Vinci's Mona Lisa to my grandmother's quilt to the pinatas at birthday parties. It is all art and brings home the message that "beauty is in the eye of the beholder".

### Session Three - Your trash, My art.

In this "all hands on" class we will be making art from different types of media. As the students create they will be presented with examples of some of the most creative art works. Do you remember Christo and Jean Claude or Nathan Sawaya who uses a very peculiar medium: LEGO blocks. We will use papier mache, charcoal, different paints and make our own egg tempera.

Remember to send aprons or paint shirts, maybe even paint pants to all classes - it could get crazy!

If you are interested in learning more about the program or enrolling your child, give the office a call at 630-469-4727. You can also fill out the form below and return it to the office by Tuesday, May 4.

---

My child \_\_\_\_\_ will attend the *ENCORE! ART?* After-school program on the following days:

Tuesday, May 4<sup>th</sup> \_\_\_\_\_ *Please note any allergies or dietary restrictions:*

Tuesday, May 11<sup>th</sup> \_\_\_\_\_

Tuesday, May 18<sup>th</sup> \_\_\_\_\_

I understand my account will be billed for the dates marked above, and that I am responsible for picking my child up at 5:00pm.
